To whom it may concern:

Banner Health has been using American Valet in many of our facilities for over seven years. We have been pleased with their service since the beginning. They are professional in every way. They are quick to respond to issues and we enjoy working with them. I only wish all of our other vendors were as easy to work with as American Valet. I would highly recommend them to any one that needs valet service.

Sincerely:

Don Bogardus
Safety/Security System Director
