Dear Ms. McLaughlin:

Thank you for your and your team's support on May 13th, 2007 at the Golf Grill and Lakeview Inn. As you know, your team parked over 300 cars on a day that the temperature exceeded 100F.

Our Mother's Day Celebration was a huge success and I could not have done it without The American Valet team. You helped create an exceptional first and last impression. Jim Pipper and Cody Dean, the site managers carefully managed our brunch guest's arrival and departure and at no time I have seen anyone waiting in the car or for a car. Great group of professionals! They kept their smile on even during extreme weather conditions.

Thank you for orchestrating this event for us!

I am looking forward to many more future events!

Warm Regards,

Carmen
