**LETTER OF RECOMMENDATION FOR
AMERICAN VALET**

In January 2005, we contracted with American Valet & Limousine Company, Inc., dba American Valet Company to take over our valet portion of the casino services we provide for our guests. This has proven to be the best of both worlds for us – it has improved our valet service for our guests and significantly reduced employee expenses for us.

Based on their excellent performance since entering into the contractual agreement with us, I am confident to recommend American Valet to enhance your business opportunities.

Yours truly,

CLIFF CASTLE CASINO
