American Valet Company
8902 N. Central Ave.
Phoenix, Arizona 85020

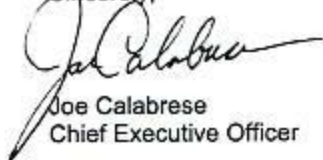

To Whom It May Concern:

This is a recommendation to any perspective corporation or company that may wish to engage American Valet Company to handle their valet services at their facilities. We at Desert Diamond Casinos have been using American Valet for approximately two years at our Pima Mine Road facility outside of Tucson and approximately six months ago, we added their services at our Nogales Highway facility to handle all of our valet services.

To date, we've had no unusual occurrences, difficulties with this well-managed company, I would recommend them highly to any perspective company wishing to obtain valet services for their properties.

Should you wish to contact me directly, you may contact Joe Calabrese, Chief Executive Officer, Desert Diamond Casinos at 520-393-2722.

Sincerely,

Joe Calabrese
Chief Executive Officer
