

Mr. Mike,

I just wanted to take a moment to thank you for the amazing job you and your staff did for our event in November. With over 250 people arriving in separate cars all within a 2 hour window, your staff was courteous and welcomed each of our guests as if they were the only person arriving. They are obviously well trained so please also give our thanks to your training staff.

We look forward to using American Valet for all of our events in the future.

Again thank you and your staff for such a wonderful experience at a time that was so hectic for us.

Regards,
